

LS-TPC12.5W-24V

24V 12.5W COB Tape Light

LUMENS: 1400lm/ft.

COLOR TEMPERATURE: 27K/65K

TYPE: COB Tape

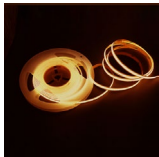

Description COB (Chip-on-Board) LED tape design provide an exceptional lighting solution characterized by their high density of chips. With up to 1600 chips on the board, these lights deliver an impressive brightness of up to 1400 lumens per foot, ensuring ample illumination for various applications. The COB technology allows for a more continuous glow, minimizing dark spots and creating a seamless lighting effect. Additionally, these LED tape lights boast an efficiency of up to 90 lumens per watt, making them an energy-efficient choice for both residential and commercial settings.

FEATURES

- Up to 1600 chips on board
- 1400 lumens per foot
- 2700K or 6500K CCT
- 90+CRI
- Cuttable at every 0.96"
- Suitable for indoor
- CE, Rohs, UL listed
